💧 Antminer S17 56TH/s SHA-256 ASIC Miner – High-Efficiency Bitcoin Mining Rig 💧

Condition: [Used – Excellent Condition]
Quantity Available: [50]
Price: [Auction]
Location: [Fond du Lac, WI]
Shipping: Local Pickup

Product Description:

Up for auction is the powerful **Bitmain Antminer S17**, delivering a **hash rate of 56TH/s** with energy-efficient performance. Ideal for mining Bitcoin (BTC) and other SHA-256 coins, this unit is a reliable workhorse for both new and experienced miners.

Specifications:

- **Model:** Antminer S17 (56TH/s)
- **Hash Rate:** 56 TH/s ±5%
- **Power Consumption:** ~2520W ±10%
- **Efficiency:** ~45 J/TH
- **Algorithm:** SHA-256
- **Cooling:** 4x high-speed fans
- **Power Supply:** Included / Not Included (specify)
- **Network Connection:** Ethernet

Condition & Usage:

- Lightly used in a climate-controlled environment / Never overclocked / In original packaging
- Fully functional and ready to mine upon arrival.

Why Buy This Miner?

☑ High hash rate for competitive mining
☑ Trusted Bitmain quality
☑ Plug-and-play setup
☑ Great ROI potential in current market conditions

Here's a polished auction listing for the **Antminer S19j Pro 100TH/s** unit, ideal for platforms like eBay, crypto forums, or mining marketplaces:

🚀 Antminer S19j Pro 100TH/s – SHA-256 ASIC Bitcoin Miner – High-Efficiency Mining Rig 🚀

Condition: [Used – Excellent Condition]
Quantity Available: [150]
Price: [Auction]
Location: [Fond du Lac]
Shipping: Local Pickup

Product Description:

For sale is the powerful **Bitmain Antminer S19j Pro**, delivering a **hash rate of 100TH/s** with top-tier energy efficiency. This is one of the most reliable and profitable ASIC miners for Bitcoin and other SHA-256 coins. Whether you're scaling your farm or starting out, this unit is a solid investment.

Specifications:

- **Model:** Antminer S19j Pro (100TH/s)
- **Hash Rate:** 100 TH/s ±5%
- **Power Consumption:** ~3050W ±10%
- **Efficiency:** ~30.5 J/TH
- **Algorithm:** SHA-256
- **Cooling:** Dual high-speed fans
- **Power Supply:** Included / Not Included (specify)
- **Network Connection:** Ethernet

Condition & Usage:

- Lightly used in a climate-controlled environment / Never overclocked / In original packaging
- Fully functional and ready to mine upon arrival.

Why Choose the S19j Pro?

☑ Industry-leading efficiency
☑ Trusted Bitmain performance
☑ Plug-and-play setup
☑ Excellent ROI potential in today's market

Here's a professional auction listing for the **Antminer S19j Pro 104TH/s** unit, ideal for platforms like eBay, crypto mining forums, or reseller sites:

⚡ Antminer S19j Pro 104TH/s – SHA-256 ASIC Bitcoin Miner – High-Efficiency Mining Rig ⚡

Condition: [Used – Excellent Condition]
Quantity Available: [140]
Price: Auction
Location: [Fond du Lac, WI]
Shipping: Local Pickup

Product Description:

For sale is the **Bitmain Antminer S19j Pro**, delivering a **hash rate of 104TH/s**—one of the most powerful and efficient SHA-256 ASIC miners on the market. Perfect for mining Bitcoin (BTC), Bitcoin Cash (BCH), and other SHA-256 coins. Whether you're expanding your farm or starting fresh, this unit is a top-tier choice.

Specifications:

- **Model:** Antminer S19j Pro (104TH/s)
- **Hash Rate:** 104 TH/s ±5%
- **Power Consumption:** ~3068W ±10%
- **Efficiency:** ~29.5 J/TH
- **Algorithm:** SHA-256
- **Cooling:** Dual high-speed fans
- **Power Supply:** Included / Not Included (specify)
- **Network Connection:** Ethernet

Condition & Usage:

- Lightly used in a climate-controlled environment / Never overclocked / In original packaging
- Fully functional and ready to mine upon arrival.

Why Choose the S19j Pro 104TH/s?

- ☑ One of the highest hash rates in the S19j Pro series
- ☑ Excellent energy efficiency
- ☑ Trusted Bitmain reliability
- ☑ Plug-and-play setup
- ☑ Strong ROI potential in current market conditions
